**NOMAS GOALS**

Continue bridging the communication connection to all accredited schools with a NOMAS Chapter to ensure student support

Promoting a more diverse amount of members in Architectural Student Organizations

Assign at least one professional NOMA Member to all accredited schools with a NOMAS Chapter

Serve as a strong voice for the students in order to address pertinent issues and to bridge the gap between students and professionals

Provide a mentorship/internship program for the NOMAS members at local NOMA Members firm/office

Establish a connection with our international counterparts
