

SCHOOL OF ARCHITECTURE

EXTERNAL TRANSFER

The School of Architecture welcomes applications from transfer students interested in studying architecture at LSU. The School matriculates accepted students each fall semester. Spring admission requests are considered on a case-by-case basis. Applicants should apply to LSU and indicate architecture as their intended major. Transfer credits for architecture courses may fulfill program requirements if taken as part of an architecture program accredited by the National Architectural Accrediting Board. Those seeking credit for design studio courses will need to submit a portfolio for faculty evaluation. All applicants are encouraged to visit the school and tour the facilities. Visits can be arranged by contacting the Main Office, 136 Atkinson Hall - (225) 578-6885 or sarch@lsu.edu.
